

HOUSE OF COMMONS
CHAMBRE DES COMMUNES
CANADA

Hon. Mike Lake, P.C., M.P.
Edmonton-Wetaskiwin

To the recipients of the Alberta Council for Global Cooperation's *Top 30 Under 30*,

I regret being unable to attend and participate in the 30th International Development Week celebrations with you, as this is a sitting week for the House of Commons in Ottawa. The good news is that this gives me the opportunity to host and attend several International Development Week events here on Parliament Hill.

As the Member of Parliament for Edmonton-Wetaskiwin, and Shadow Minister for International Development, it gives me great pleasure to extend my sincere congratulations to the Alberta Council for Global Cooperation's *Top 30 Under 30* recipients for the year 2020. The work you all do is so critically important to helping people around the world to reach their full potential, just as you work so hard to reach yours.

Working locally and globally, you are advancing sustainable development and global citizenship and, along the way, you are creating a better future for all of us. Please accept my heartfelt appreciation for your tireless efforts and, once again, congratulations for the hard-earned recognition.

All the best,

A handwritten signature in black ink that reads "Mike Lake".
