

1 February 2021

Dear Top 30 Under 30 Recipients:

On behalf of the staff and board of directors of the Alberta Council for Global Cooperation, I am writing to congratulate you on being named an ACGC Top 30 Under 30 for 2021.

This year marks the 10th anniversary of the Top 30 Under 30 award. For the last decade, ACGC has been honouring youth from across the Province of Alberta and the world for their outstanding contributions to peace, justice, and sustainable development. Every year, I am both impressed, and truly humbled, by the drive and passion the Top 30 youth exhibit in their chosen fields of influence. This year, as we face the global Covid-19 pandemic, it is even more pressing that we work together to build a better world. Your achievements are remarkable, and your commitment to social justice is truly an inspiration to others. It is youth like you who will ensure we build a future where all people prosper.

Please accept my heartfelt congratulations on being named a 2021 Top 30 Under 30. My desire is that this honour is only the beginning of marking a successful future and career of giving back to the world and I wish you the very best in your endeavours. Should you ever require support or information from our coalition, or wish to get involved in the work of our member organizations, please do not hesitate to reach me at director@acgc.ca.

Sincerely,

Leah Ettarh
