Statement from the Prime Minister of Canada

It is with great pleasure that I congratulate the recipients of the 11th annual Alberta Council for Global Cooperation's (ACGC) Top 30 Under 30 award as part of Canada's International Development Week.

You all serve as a wonderful example of the impact that young, ambitious, and determined individuals can have on their communities and beyond. Your significant contributions have positively influenced our country.

Now more than ever, because of the COVID-19 pandemic, we need your ideas, unique perspectives, and continued efforts in making Canada a better country. Even though we face great difficulties, I know that motivated young people like yourselves will always find ways to inspire others and challenge our society to work for everyone.

The pandemic has made planning and hosting events such as this one especially difficult, and I would like to thank the dedicated organizers at ACGC for making this event possible.

Please accept my warmest welcome and best wishes for a successful and memorable event.
