

MESSAGE FROM THE PREMIER OF ALBERTA

On behalf of the Government of Alberta, it is my pleasure to welcome everyone attending the Alberta Council for Global Cooperation's 11th annual Top 30 under 30 Awards.

I'm delighted to congratulate the outstanding Albertans being recognized tonight. Our planet faces complex challenges, and I am grateful that young people like you have chosen to be engaged and optimistic as you work to achieve a better future for all of us. Your significant contributions to peace, justice, and sustainable development are even more remarkable since you have achieved so much in such a short time.

As we mark International Development Week, I encourage all Albertans to learn about international development and consider ways they can contribute to a better tomorrow. If you are short of ideas, I know that those being honoured in tonight's award ceremony will inspire you.

Many thanks to the Alberta Council for Global Cooperation for its continued efforts to engage young minds, and heartfelt congratulations again to each of this year's winners.

Hon Jason Kenney, Premier of Alberta
